

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Yorks, Jr. on April 16, 2008.

The application has been amended as follows:

Claim 1, last line – after “side” the following has been added: --at the location of the additional stud--.

Claim 18, last line – after “side” the following has been added: --at the location of the additional stud--.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose the particular claimed electrode structure including proximal and distal snap assemblies having a three eyelet configuration. The additional stud, although electrically connected to the patient side of the assembly via the jumper assembly and distal stud, is electrically isolated from the patient at its actual location on the body of the assembly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Art Unit: 3739
